Dedication

To the man who taught us a sense of responsibility and pride in achievement
during our four years of high school
To the man who helped us build the character which will help shape our future
lives
To the man whose influence, not only in his chosen field of music, but whose
philosophy of living has made us all better students
We, the Senior Class of 1963, take pride in dedicating our Greyhound
to you, Mr. Ordal.

Administration

Three individuals, quite familiar to every Dow City Arion student are: O. C. Walker, Supt. Harry Ploth, Principal and La June Griffin, Secretary. We realize the important position of these people, but how are they shaping our future? On the surface, these three may seem removed from the average student's life for their duties many times are not directly in contact with most of our personal problems.

O. C. WALKER
Superintendent

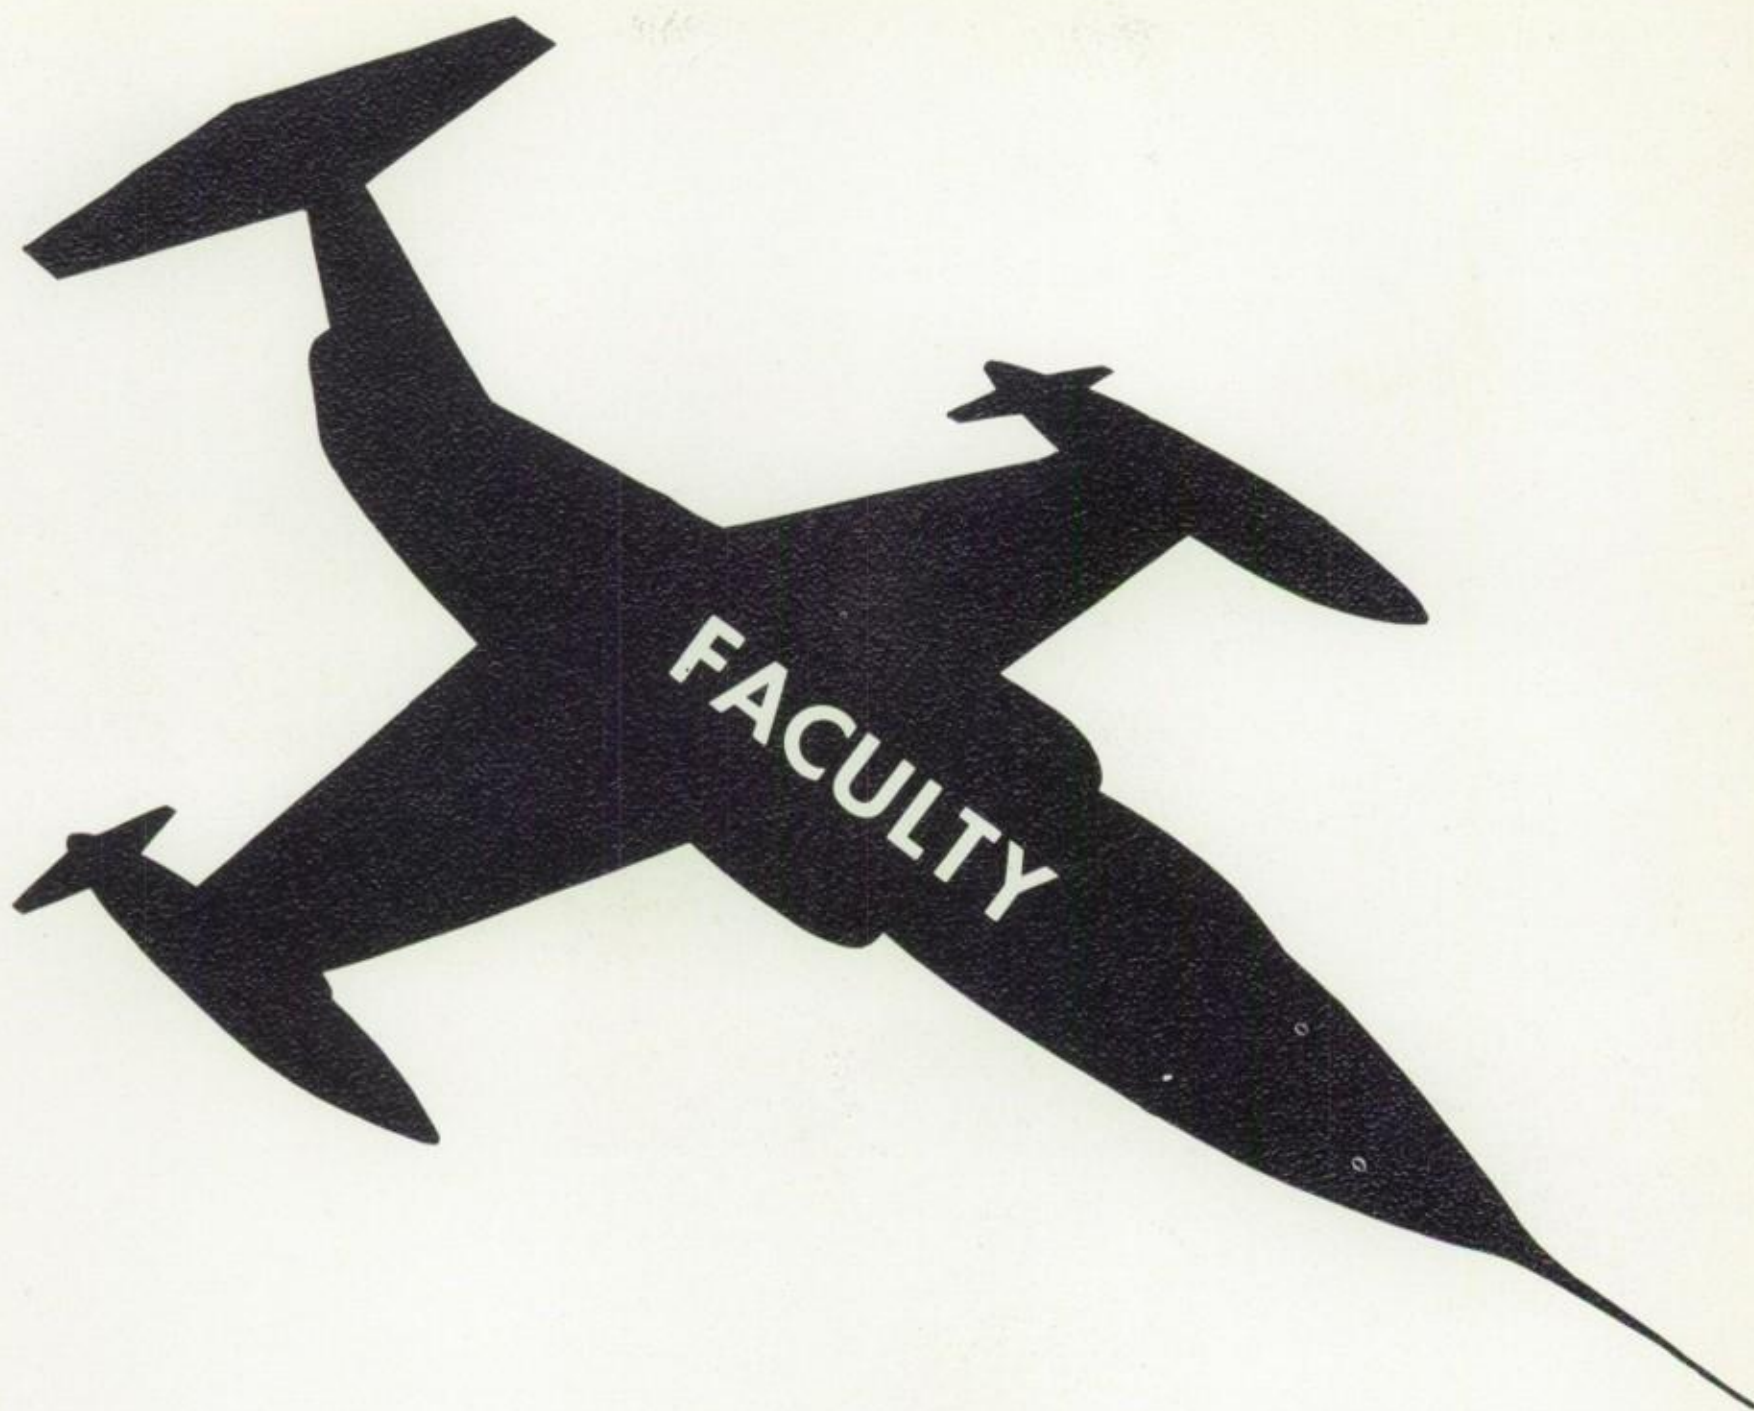

LaJUNE GRIFFIN
Secretary

HARRY PLOTH
Principal

However, from the moment one enters D.C.A. as a student, their influence is evident, in the many areas of guidance, curriculum, standards and values. In all aspects of one's educational growth they are helping the entire community by training its youth for better citizenship and in this manner, hoping to make this world a better place in which to live.

Harmony is Instrumental in Bringing

The Dow City-Arion Senior High School Band is now in its eleventh year under the direction of Mr. Albert Ordal. It has grown in that time to a total of forty seven members. The band will continue to grow because of the extensive program carried out by Mr. Ordal in the lower grades, to develop musicians and provide an excellent opportunity for those who enjoy playing classical and light concert music. It also gives the necessary experience for those who wish to further their musical education.

Various musical groups provide entertainment for the class play, the annual carnival, football banquet, band banquet, school concerts, and also takes part in the State Music Contests both Solo, Ensemble and large groups. This group is a good example of the universality of music. Music has no language barrier, it expresses the emotions and cultural aspects of man and his society.
